

How to Add a Link to OwlNet

Step 1:

The screenshot displays the OwlNet course homepage interface. On the left, there are sections for 'Announcements', 'Handouts', and 'Bookmarks'. The 'Bookmarks' section is highlighted with a red circle around the 'Add a Bookmark' button. On the right, there is a sidebar menu with various course-related links.

Announcements

You have no incoming announcements.

- To add a link on OwlNet, first select “Add a Bookmark” under the Bookmarks section of the course homepage.

Step 2:

Bookmarks - Manage Bookmark View

Manage

Label:

URL: (Red arrow points to this field)

Set: Ungrouped

Description:

Font Family Font Sizes

B *I* U **A** *A* *I*_x

Words: 0

(Max Characters: 2000)

Start: Display now
 Display later manually
 Display on: :

End: No end date
 End now
 End on: :

After End:

Save (Red arrow points to the Save button)

- Create a label for the link. Copy and paste the URL from the webpage you would like to link on OwlNet. Add a description if necessary and set when you would like the link to be visible to students. Once all of this is complete, click “Save” and the link will be added to OwlNet.
