How to Format Grades

You can enter grades in several formats

- **Points Earned** (e.g. "45") -- for this assignment, the total point value is 50
- **A letter grade** (e.g. "B-")
- **A percent** (e.g. "95%") -- be sure to include the "%" or the grade will be interpreted as points
- **Full credit** ("=") -- An equals sign is a short cut that will award full credit (100%) automatically
