

Joining a group in OwlNet

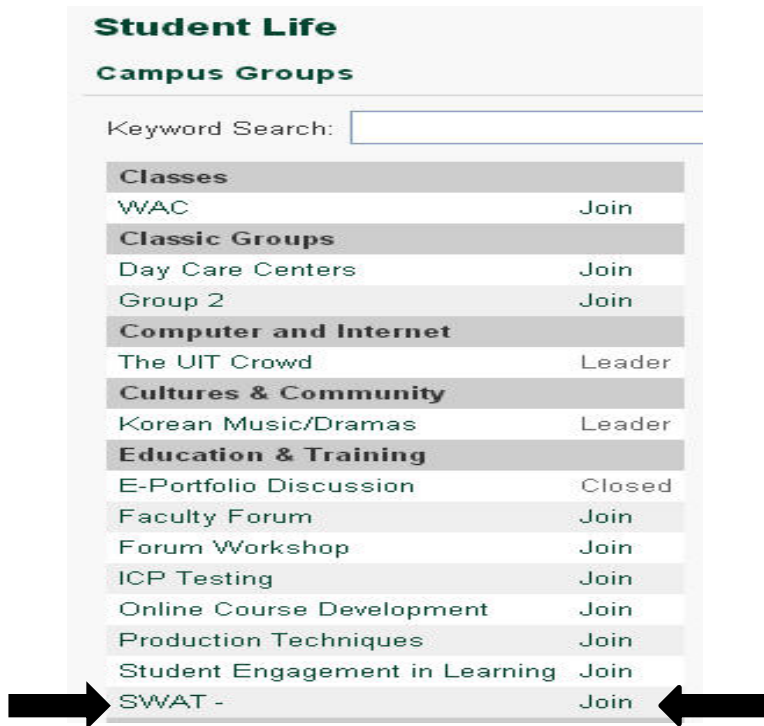

1. Login to OwlNet
2. Click on the "Student Life" tab

3. Under the Campus Group section select "Browse Groups"

4. From this page you can either search for a group using key words, or scroll through the list of groups. Once you find a group you are interested in you can either click join on the right side or you can preview the group by clicking on the group's title on the left hand side.

5. Once you have joined a group you will now be able to access the group via the quick links section.
